1. You are coming into a new place; a place of My power and authority, and people many will not know what to do or think or handle **this what comes now through you to My Mighty Many**; and handle it you can't/they can't. Shall you/they handle Me, placing their hands on Me to control Me and what/how/when I do whatever I do?
2. Many will not know what to do with Me/you and many will be joyous/raucous some; out of order in their glee; and yet exuberance pleases Me.
3. The monotonous monotone of monolithic worship on one plane is over, and yea see what I am saying as I bring depth and breadth and texture and color/vibrancy/emotion/love to **every life given in surrender to My heart/Father's heart; their heart becoming seamless with ours, and yea who can tell us apart, for the value systems are the same.**
4. And who will lay down their life for another brother/sister/father/mother, yea who/if may be in a far place, a different culture, a different time, a different season; and who will you lay before, yea letting your back be laid bare, not defending yourself, but yea letting Me.
5. I love you. I give you My all; not a trite statement, Ted.
6. See the fawns/deer/gazelle; who lovest thou Me more than these?
7. Who can see the limitlessness of My Kingdom and My invitation to sit with Me on My throne; **and healing all who Father says/shows/directs; lifting/appalling not few in the process, yea mighty and meek, or lowly self rejecting self.**
8. See what I have said.
9. Come unto Me all ye who are heavy laden, and I will give you what/where/when/how. Is it not all in these words from "Simon Says" not, but yea servant simple?
10. And who is your name O Mighty One of Israel; of the covenant or not; you choose.
11. And what is your role this day in the grandest sweep of My hand/the revealing of My Father's heart to all?

12. No one will miss Me; brother will stand against brother and households divided will be many; one will see the Kingdom and the other will refuse, self-degradation of self; judging themselves not worthy; in ignominious reproach bearing; putting the mantle of ignominy upon themselves.

13. And who can bear the thread of My scarlet, and who knows what I mean/say; and who will look at and test/detest the worm and why all is as is, and not as was, but as was is; and now seeing passage/redeeming many; and not wallowing in religion/religious-thought that so limits Me does, has, always.

14. Yea breaking forth as the noon day sun you do now, and many will not know how to say thank you for coming to your/My temple.

15. All is as was and more; and see Me in My heart failure not, yea cataclysmic all is and who can construct by voice? Yea all who know Me; ultimate surrender/purity required.

16. Yea do I take away or give; do I demand or do I yield; do I defer and bow or is My heart/thought of another?

17. Yea see Me in all that I am, all that I have said; these three years just the beginning; maximum potential coming/flowing the river of crystal river/water of truth, yea now in many beholden of Me, yea you/Father of one. Watch Me.

18. Watch Me and think it not strange what I flow through you now, yea mighty and mightiness mightier.

19. I love you and I give you Me unafraid; unafraid to receive Me/My words, My correction, My rebuke; My respite/My rest; My altogether loveliness in My who look nothing like you.

20. Thank you for not being afraid of time without time nor atmospheres without pressure; or yea words without thought, or thought without words in language communication which transcends; yea the heart reflects/transmits/broadcasts.

21. And see all I have given in these moments on My campus not few. Watch Me and heretofore [breath the vapor of My](#) love not, but in [fullness/fullness'd](#). I love you. I give you Me this day. Thank you for stopping and sharing Me.

22. I pronounce you dead not, yea most-alive. I am your voice, you're Mine and I glorify My Son who now glorifies Me.
I love you.
I give you Me/altogether loveliness.

Thank you.
Amen.
